**Request for Proposals #15-007
For General Contractor Services (Four fire-damaged units)**

Addendum #3

- 1) The RFP forms have a few line items that are duplicates and there is not a line item for floor preparation needed to install the flooring.

Response: If you are referring to the Scope of Work line items, please respond to the items listed on the forms.

- 2) Is it acceptable for us to submit our estimate as it is typed or does the estimate need to be completed by hand on your forms

Response: The estimate should be completed on the forms identified in Exhibit A.
