**General Contractor Services (916 Clark Circle) for
The Sanford Housing Authority
RFP#15-012
Addendum #1**

Question: On the copy I have the Miscellaneous section is just under the Kitchen totals on page 7. Above that are Dining Room totals and at the very top there is a line for Living Room totals. The last page(8) is the remainder of the Miscellaneous Section and the last 2 items are to replace 2 ea. smoke detectors, direct wired and 2 ea carbon monoxide detectors, direct wired. Page 1 of 8 has 916 Clark Circle on it and starts out with work in the bathroom that apparently burned. Page 2 covers the Hall, Hall linen closet, and bedroom 1. Page 3 has bedroom 1 and bedroom 1 closet, and bedroom 2. Page 4 has closet for bedroom 2 and 3 and bedroom 3. Page 5 has the stairs, foyer, and foyer closet. Page 6 is the Living Room and Closet for the Living Room. It appears to be correct. *This is all after the Scope of Work on p. 16. It is p. 17-24 I believe out of all 52 pages. By the way, do we need to turn in all 52 pages with the bid and/or can the bid be faxed with the essential information (Bid, References, Etc.)?

Response: All of the pages, which is page 10 and those proceeding page 10, must be submitted, along with other required documents and information noted in the RFP. The proposal should be a sealed bid; a faxed proposal will not be accepted.
