**Request for Proposals  
For Landscape and Grounds Maintenance Services; RFP #15-005**

**Addendum #1**

1. I had some questions on the leaf removal portions of the contract. It is not clear to me on your request of leaf removal. Are you requesting a price per visit? Or completed leaf removal? Some of the properties out for bid generally drop leaves through December as well.

Response: Contractor shall remove leaves twice during the months of September, October, and November. During the month of December contractor shall remove leaves up to two times. If necessary, the site manager has the authority to request additional leaf removals.
